

THE 10 STATEMENTS OF OUR FAITH—PART 2

James 2:19, Hebrews 10:38, 11:6, Romans 8:28-32,
Psalms 37:23-24, 139:15-16, Philippians 2:13, Mark 11:24,
Luke 11:9-10, John 14:12-14

The Bible says "the righteous shall live by faith." We already know that it is impossible to please God without Faith, and exercising our Faith in specific things about God. Today we examine some additional statements of truth about God. Things that we must have faith in or else they will be of no value to us! How many Christians suffer needlessly, hopelessly, because they do not accept that all of God's Promises require our Faith?

Which is an example of Faith? (Select any that are true.)

- A child putting out cookies and milk for Santa.
- The Apostle Peter walking on the water.
- A parachutist jumping out of a perfectly good airplane.
- An operating room patient counting backward from ten.

What does "living in faith" look like? How does it differ from NOT living in faith?

What is the difference between Faith and Hope?

Many Christians pray in Hope rather than Faith. What is the remedy for this error?

Is it true to say that God's promises are all conditional upon someone believing them? Explain.

When someone truly believes that God is managing their lives, what does their life look like? (Select any that may apply.)

- Filled with praise and thankfulness
- Filled with worry, stress, and uncertainty
- Smiling 80% of the time
- Dwelling on the *failures* of the past
- Filled with confidence, boldness, excitement for the future
- Filled with doubt, hesitancy about the future
- Not smiling 80% of the time
